

LWW Health Library

Board Prep

Why LWW Health Library?

LWW Health Library delivers trusted health science education and clinical content through a single portal, ensuring you have the resources you need to effectively support your students from the classroom into practice.

The **Health Library: Board Prep** collections offer a holistic solution for high-stakes exam preparation by offering foundational education content alongside proven, vetted board review questions and simulated practice exams for the USMLE (United States Medical Licensing Examination), COMLEX (Comprehensive Osteopathic Medical Licensure Examination), and PANCE (Physician Assistant National Certifying Exam).

A complete curriculum and board preparation solution for students in MD, DO, and PA programs

LWW Health Library: MD/DO and PA Board Prep collections include:

- Full-length practice exams
- Thousands of self-assessment questions, including direct-response questions
- Flashcards geared toward USMLE, COMLEX, and PANCE content help students digest large amounts of information quickly
- Remediation to links students use most, including First Aid, Pathoma, and LWW Health Library
- Mobile-optimized interface for anytime/anywhere access
- Clinical vignettes accompany practice questions and illuminate real-world clinical situations

The LWW Health Library Board Prep Collections Offer:

- **Student-tested assessment:** Over the past 10 years, more than 300,000 students have used Health Library Board Prep content to ace the USMLE, COMLEX, and PANCE.
- **Track record of success:** Efficacy studies show that using Health Library MD/DO Board Prep improves student USMLE Step 1 scores.
- **Trusted content:** Over 60 MDs, PhDs, residents, and attending physicians author each clinical vignette (CV) and multiple-choice question (MCQ). A 6-step review process ensures the quality of each CV and MCQ. Questions are reviewed and updated annually.
- **Just-in-time remediation:** Students can review material on questions they've missed with topic pages within the Health Library.

LWW Health Library Board Prep

LWW Health Library: MD/DO Board Prep

LWW Health Library: MD/DO Board Prep provides students with a fast path to success on the USMLE or COMLEX. Carefully written and reviewed by MDs in active practice, PhDs, and residents, multiple-choice questions help students synthesize and apply what they've learned in their courses so that they excel on high-stakes licensing exams.

It includes:

- USMLE Step 1: Over 1,500 questions
- USMLE Step 2: Over 1,500 questions
- COMLEX L1: Over 1,700 questions
- COMLEX L2: Over 1,700 questions

Thousands of Clinical Vignettes provide students with real-world clinical situations, encouraging critical thinking and application of knowledge. Practice exams allow students to track their progress, identify knowledge gaps, and practice using the same interface they will see on test day.

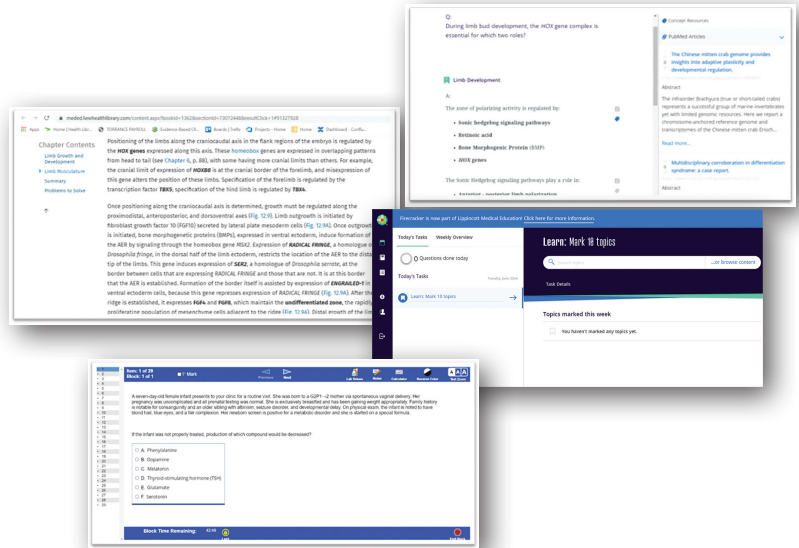

LWW Health Library: PA Board Prep

Designed specifically for busy PA students, LWW Health Library PA: Board Prep offers over 3,600 questions geared toward acing the PANCE. It also includes end-of-rotation exams that allow students to test their skills as they take on clinical practice. Practice exams mimic the PANCE interface so students are better prepared for test day.

Who needs LWW Health Library Board Prep?

Librarians and Deans! This affordable curriculum solution prepares medical students with the foundational knowledge they need and organized specifically for passing high-stakes board exams. All Health Libraries can be managed with one entitlement, ensuring easy access across collections.

Students! Proven, high-quality questions and full-length practice exams help them benchmark their understanding of key concepts and prepare for high-stakes exams.
