

# LWW Health Library: Clerkship/Clinical Rotations

## Why LWW Health Library?

LWW Health Library delivers trusted health science education and clinical content directly to students, faculty, and staff through a single portal—providing interactive online access to essential texts, images, real-life case studies, and quiz banks specifically tailored for the specialty. In addition to health science schools and hospitals, these resources are a must-have for related educational programs—ensuring you have the resources you need to effectively support your students' foundational learning and clinical practice.

**Essential Clinical and Educational Content for Students During Their Clerkship/Clinical Rotations**

### LWW Health Library: Clerkship/ Clinical Rotations Collection includes:

- Core texts needed for each of the core clerkship rotations—40 highly recognized titles and clerkship-specific series for Internal Medicine, OB/GYN, Pediatrics, Surgery, Family Medicine, and Psychiatry
- **EXCLUSIVE!** Key series titles for the clerkship market previously only available in print—**Step-up, Recall, Blueprints, Shelf Life, and BRS**  
*(Not currently available on Books@Ovid)*
- Over 4,700 Q&A in Internal Medicine, OB/GYN, Pediatrics, Surgery, Family Medicine, and Psychiatry
- Special search and navigation functionality allows users to search and browse content across all core rotations or within a specific rotation

### Key Features of LWW Health Library:

A single portal to foundational and basic sciences resources, as well as rich multimedia ancillaries for teaching, learning, and practice

- **Highly-rated references:** Trusted, core texts from Lippincott Williams & Wilkins, making it a one-stop, digital portal for authoritative content paired with industry leading functionality
- **Updated content:** Ongoing content updates as new editions publish, as ancillary content is acquired, and/or as authors supply clinical, practice-changing updates to their content
- **NEW! Quizzing:** Allows users to create custom quizzes organized by topic, keep track of responses, and link to relevant content to help with remediation
- **Advanced semantic search:** Guides users to results displayed by title, chapter, topic, and/or type of resource
- **OvidInsights widget:** Connects students with valuable primary literature with an exclusive OvidInsights search widget, which returns targeted results and article previews ideal for journal club activities
- **Responsive Design:** Ability to browse content on your computer, tablet, or smartphone with ease
- **Personal accounts:** Users with a **FREE** personal account can enjoy personalization such as quizzing, saved searches, content alerts, robust printing capability, seamless off-site access, and more
- **150 cases organized by rotation and topic:** Cases begin with a clinical scenario and progress step by step through the decision-making process of patient management to help students prepare for their upcoming rotation and to promote clinical reasoning skills
